**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Dear Sir:

In connection with the above-entitled matter, Applicant wishes to bring to the attention of the Examiner a copy of the International Preliminary Report on Patentability dated July 6, 2006 issued in the corresponding PCT patent application. Enclosed is a copy of the International Preliminary Report on Patentability. The reference cited in the Report is already of record in this case, therefore, Applicant is not providing the Examiner with a PTO-1449 or a copy of the reference. The claims in the present application are believed to be patentably distinguished over these references.

This Supplemental Information Disclosure statement is being made pursuant to the duty of disclosure imposed by law and formulated in 37 CFR 1.56(A). No representation is made that the information thus disclosed in fact constitutes prior art or that it is the closest prior art, inasmuch as 37 CFR 1.56(A) relies on a materiality concept which depends on subjectivity.
